

Policies & Procedures

We love to welcome your best friends!
Here's some info to help your stay run smoothly and maximize
your pet's fun!

FOOD: Plan ahead!

Help us keep your buddy's tummy full by providing ample food while you're away.

Please pack:

- 2 pre-portioned baggies of food per day
- 1 extra day's worth (2 baggies) just in case

We can always send home any extra meals. Please note that if more food is needed for your pet, additional food and shopping costs will apply and will be added to your final payment.

DROP OFF & PICK UP: Help us help you!

At Monarch Premier Dog Training, we pride ourselves on allowing clients to choose their own drop off and pick up times. Help us continue to allow such a wide window of availability (8AM-8PM) by immediately notifying us of any delays. We are always excited for your arrival, so please call or text before you're late (not after). We value your time and appreciate your respect for ours.

PAYMENT: Full payment is due AT or BEFORE pickup please!

Communication about cost of your visit will be discussed prior to your pet's stay! If cost is incurred for additional services (urgent vet visits, buying more food, optional grooming, etc.), you'll be notified before pickup so you can plan ahead.
